

Zapp & Roger

Zapp

Good evening. You're about to be entertained by the group, that brought you:

"More Bounce" (more bounce)

"I Heard It Through the Grapevine"

(Heard it through the grapevine)

"I Can Make You Dance" (I can make you dance)

"Doo Wa Ditty" (oh...)

"Heartbreaker"

Ladies and gentlemen, Zapp!

You like the way we made you feel, this is real

Let loose, have fun and do what you feel (yea-yea-yea-yeah...)

And it makes you feel good

Well, it's been so many years, now we're back on track

And that's a fact

We're gonna stay here, just to keep it comin' for you, baby

And I won't stop, can't stop

Don't stop 'til I get enough of your love, yeah

"Talkbox, I've been hearing it since I was a kid

I mean, used in a lot of new music

I was always curious to know why"

"Listen, um, I always- I heard it with Peter Frampton and a couple other artists; and I would use it, uh, before we had hit records, playing in nightclubs, doing cover songs. And every time

I would use the voice box, people would be dancing until I use it, until-

And when I started using it, they would look up, like... it would seem to hypnotize them in a way. It really works, watch this ."

And it makes you feel good

You like the way we made you feel, this is real

Let loose, have fun and do what you feel (yea-yea-yea-yeah...)

"After More Bounce there was a lot of, uh, groups who came out and- and used the voicebox. And I think that, uh, it is my trademark."

And it makes you feel good
