

# I Would Like

Zara Larsson

I didn't know that I could want you so deep  
Until I saw you with someone who's not me  
You got me playing in a game that ain't fair  
But you're taking me there, yeah you're taking me there

I can't help myself, it's human nature, human nature  
Who's to say what's meant to be  
Why can't we be on our worst behaviour, worst behaviour  
When it comes so naturally

I would like to get to know you baby  
Like to get under your sexy body  
I would like to get to know you baby  
Like to get under your sexy body

(Under your sexy body), oh  
Under your sexy body, oh  
Under your sexy body

Know what you're doing when you hold her like that (like that)  
Looking at me to see if I'm looking back  
But me and you both know where tonight is gon' lead (gon' lead)  
Cause you're leaving with me (leaving with me)  
Yeah, you're leaving with me, yeah

I can't help myself, it's human nature, human nature  
Who's to say what's meant to be  
Why can't we be on our worst behaviour, worst behaviour  
When it all comes naturally

I would like to get to know you baby  
Like to get under your sexy body  
I would like to get to know you baby  
Like to get under your sexy body

(Under your sexy body), na na na na na na  
Under your sexy body  
I would like to get to know you baby  
Like to get under your sexy body

Come take me under now, na na na na na na  
Go on and go there, na na na na na na  
Come take me under now, na na na na na na  
Go on and go there, na na na na na na

I would like to get to know you baby  
Like to get under your sexy body  
I would like to get to know you baby  
Like to get under your sexy body

I would like to get to know you baby  
Like to get under your sexy body  
I would like to get to know you baby  
Like to get under your sexy body

Come take me under now, na na na, na na na  
Go on and go there, na na na, na na na

Come take me under now, na na na, na na na  
Go on and go there, na na na, na na na
