

## Right Here

Zara Larsson

I could have two girls in the bed  
It wouldn't even get your attention  
I could have powder as my best friend  
Wouldn't even get your attention

I could be naked at dinner  
And touching the waiter  
The baddest behaviour  
Two girls in the bed  
And it wouldn't even get your attention

And you got me thinking  
Why  
Do I even try?  
Oh, why, babe?  
Why?  
Baby, I don't understand  
Who are you with, is it me or the light in your hand?

I'm right here  
Why can't you look at me?  
You keep your eyes on the screen like you don't care  
That I'm right here  
I'm wearing that perfume  
That you got me in June  
Do you not smell it in the air?  
I'm right here  
I'm right here  
I'm right here

Remember when you couldn't keep your hands of my body?  
Can we get back there again?  
I really wanna feel that you want me  
Don't you want me?

And you got me thinking  
Why  
Do I even try?  
Oh, why, babe?  
Why?  
Who are you with, is it me or the light in your hand?

I'm right here  
Why can't you look at me?  
You keep your eyes on the screen like you don't care  
That I'm right here  
I'm wearing that perfume  
That you got me in June  
Do you not smell it in the air?  
I'm right here  
I'm right here  
I'm right here  
Do you not feel me in the air?  
I'm right here  
I'm right here  
I'm right here

I could be naked at dinner  
And touching the waiter  
The baddest behaviour  
I could be naked, naked, naked, naked, naked, naked

I'm right here  
I'm right here

I'm right here  
Why can't you look at me?  
You keep your eyes on the screen like you don't care  
That I'm right here  
I'm wearing that perfume  
That you got me in June  
Do you not smell it in the air?  
I'm right here  
I'm right here  
I'm right here  
Do you not feel me in the air?  
I'm right here  
I'm right here  
I'm right here
