

# Skipping A Beat

Zara Larsson

My friends talking you down  
I shouldn't hang around  
You-what if I do  
something that I just need to figure out

Maybe it's a mistake  
Calling you up this late  
Hoping you're alone  
Even tho I'm already on my way

I can't hold my tongue  
You're the one I want, boy  
I don't care 'bout love  
Whatever this is - it feels right

You're like a one way chick  
But I'm ready to lean  
I've got my mind made up  
That you got what I need

'Cuz everytime that you look at me  
I get weak in my knees  
You've got my heart skip - skip  
heart skippin' a beat

Oh boy I know it's there  
What you're doing to me  
'Cuz when I think of you  
it gets harder to breath

'Cuz everytime that you look at me  
I get weak in my knees  
You've got my heart skip - skip  
heart skippin' a beat

(You've got my heart skip - skippin' a beat, you've got my heart - skip - sk  
ippin' a beat  
You've got my heart skip - skippin' a beat, you've got my heart - skip - ski  
ppin' a beat)

Sitting in my car  
Wondering what we are  
Damn. I did it again, i don't know how  
I let it comes to far

With you I never learn  
That's why I never turn  
back, I've got it bad  
All that you gotta do is say the word

I can't hold my tongue  
You're the one I want, boy  
I don't care 'bout love  
Whatever this is - it feels right

You're like a one way chick  
But I'm ready to lean

I've got my mind made up  
That you got what I need

'Cuz everytime that you look at me  
I get weak in my knees  
You've got my heart skip - skip  
heart skippin' a beat

Oh boy I know it's there  
What you're doing to me  
'Cuz when I think of you  
it gets harder to breath

'Cuz everytime that you look at me  
I get weak in my knees  
You've got my heart skip - skip  
heart skippin' a beat

Oooo, Ooo,...

(You've got my heart skip - skippin' a beat, you've got my heart - skip - sk  
ippin' a beat  
You've got my heart skip - skippin' a beat, you've got my heart - skip - ski  
ppin' a beat)
