

Takeover

Zardonic

Oh, we've been doin' this since dark ages, with fast paces
Takin' rock and metal, throwin' Drum and Bass in
And this one goes out to the cell dwellers
Who stood alone, metronome full force to the trendsetters
Rock the people, rush the stage
Keeping bodies movin', yeah, but melting the face
Crushin' the metal, punchin' the bass
Rockin' the place as you brace for takeover!

Yeah, yeah, yeah
Brace for takeover!
Haha, rush the stage
Brace for takeover!
Get ready, motherfucker!
Brace for takeover!
Will we make it out alive?
Huh!

Yeah!
Haha!
You better be ready, yeah
You better be ready, yeah, brace for takeover!
Watch how we break it out
Watch how we break it out, brace for takeover!
Rockin' the place as you
Rockin' the place as you brace for takeover!
Watch how we tear it out
Watch how we tear it out

Haha, you see, The Qemists are the players, Z's the controller
This ain't a game, yeah, brace for takeover!
Q set the tone, Zardonic the reloader
Getting so heavy, yeah, you brace for takeover!
Crushin' the metal, punchin' the bass
Rockin' the place as you brace for takeover!
Will we make it out alive?
