

# Feel Good

Zayde Wolf

Can't help but feel good  
Can't help but feel good good good  
Can't help but feel good  
'Cause this gonna be my  
Yeah this gonna be my day  
'Cause this gonna be my

I used to lay low  
Was too afraid to breathe  
Hide in the shadows  
Tiptoeing carefully  
But now I've got tempo  
I've got ecstasy  
Turn up the stereo  
We're living recklessly

These are the days that we're never getting back  
Turn your face into the sun  
Step on out from all the black  
These are the days that we're never getting back  
And we living like this  
We living like

Can't help but feel good  
Can't help but feel good good good  
Can't help but feel good  
'Cause this gonna be my  
Yeah this gonna be my day  
'Cause this gonna be my  
Can't help but feel good

I'm feeling good  
This gonna be my day

Ok  
Now it's your turn  
Tell me your wildest dreams  
If you're still not sure  
Whisper your fantasies  
We'll catch a vibe tonight  
Back of limousines  
Don't matter what we do  
This is our new reality

These are the days that we're never getting back  
Turn your face into the sun  
Step on out from all the black  
These are the days that we're never getting back  
And we living like this  
We living like

Can't help but feel good  
Can't help but feel good good good  
Can't help but feel good  
'Cause this gonna be my  
Yeah this gonna be my day  
'Cause this gonna be my

Can't help but feel good

Yeah

Tell me how you feel tonight

Oh oh, oh oh

Tell me how you feel tonight

Oh oh, oh oh

Tell me how you feel tonight

Oh oh, oh oh

Tell me how you feel tonight

Oh oh, oh oh

Tell me how you feel tonight

Oh oh, oh oh

Tell me how you feel tonight

Oh oh, oh oh

Can't help but feel good

Can't help but feel good good good

Can't help but feel good

'Cause this gonna be my

Yeah this gonna be my day

'Cause this gonna be my

Can't help but feel good

Can't help but feel good good good

Can't help but feel good

'Cause this gonna be my

Yeah this gonna be my day

'Cause this gonna be my

Can't help but feel good
