

King

Zayde Wolf

Oh-hey
Woah (oh-hey)
Woah

I can feel the weight (Hey)
I can feel the weight of the world (Woah, hey, woah)
I can feel the pressure (Hey)
I know the pain and the hurt (Woah, hey, woah)

I've been climbin' up all these mountains for so long
And I've been buildin' up all these kingdoms for so long
But I will never run when destiny comes
I'm dippin' my hand in gold

It's good to be king
It's good to be king

(Woah, hey, woah)
The crown is getting heavy (Hey)
But they've written my name in the stars (Woah, hey, woah)
For diamonds and castles (Hey)
I've dealt blood and greed and scars (Woah, hey, woah)
Oo-yeah

I've been climbin' up all these mountains for so long
And I've been buildin' up all these kingdoms for so long
But I will never run when destiny comes
I'm dippin' my hand in gold

It's good to be king
It's good to be king
It's good to be king
It's good to be king

Like a conqueror
Like a conqueror
It's good to be king
Like a conqueror
It's good to be king
Like a conqueror

It's good to be king
It's good to be king
It's so good, it's so good, it's so good
It's good to be king
It's good to be, it's good to be
It's good to be king
It's good, it's good to be king
