

Let's Go

Zayde Wolf

Let's go

I think it's better when I'm overdramatic
I live in color never monochromatic
Pop open champaign and then I spin up a classic
I do it my way
I do it my way
I'm out here climbing for the top of the planet
Already made it, but I like panoramics
They say "how'd he do it?"
I just tell 'em it's magic
I do it my way
I do it my way

Let's go
I'm coming for the gold
All eyes on me
Let's go
Let's go
Welcome to the show
All eyes on me

Let's go
Let's go
Let's go
All eyes on me
Let's go

Don't cut me off I got a reason to finish
Sure looks like danger, but that's how I be livin'
They call me crazy, but I'm born with the vision
I do it my way
I do it my way
Three-hundy-million plays I did it all independent
Go on take your bad vibes, go mind your business
Hypebeast front page, I'll be there in a minute
I do it my way
I do it my way

Let's go
I'm coming for the gold
All eyes on me
Let's go
Let's go
Welcome to the show
All eyes on me

Let's go
Let's go yeah
Let's go
Come on come on
All eyes on me
Let's go
Let's go

This is how we do it
Let's go

Check it out
All eyes on me
Let's go

Alright alright
Alright alright

I'm on the hunt for it
I'm on the hunt for it
I'm on the hunt for it
I'm on the hunt for it
The hunt for it, let's go

I'm coming for the gold
Let's go
All eyes on me
Let's go
Let's go
Put your eyes on me
Let's go
This is how we do it
All eyes on me
Let's go
