

## Next Level

Zayde Wolf

I've some blood on my knees  
I've got this pain on a leash  
I won't give into the theifs  
There are no true guarantees  
But I'm holding tight to belief  
Watching it rise like a beast

Oh oh  
I see the light at the end of the tunnel I know yeah  
Oh oh  
I'll ride the train to the end of the I'll keep running I know

I'm gonna keep on reaching for the next level  
I'm gonna keep on searching for it forever  
The next level  
Let's get to work

Some wait for the phone to ring  
They want that hollywood dream  
But life is no fantasy  
We might be worn to the bone  
We'll turn that iron to gold  
Obsess and watch it unfold

Oh oh  
I see the light at the end of the tunnel I know yeah  
Oh oh  
I'll ride the train to the end of the I'll keep running I know

I'm gonna keep on reaching for the next level  
I'm gonna keep on searching for it forever  
The next level  
Let's get to work

Go ahead dig a grave you can't kill me  
Don't you know it's in my bones do you feel me  
Go to church roll the dice you can't trick me  
This is history this is history

I'm gonna keep on reaching for the next level  
I'm gonna keep on searching for it forever  
The next level  
Let's get to work
