

What We Make It

Zayde Wolf

Rolled the windows back down
'Cause the air is broken again
It sure feels like we're living on hope again

But I don't really care
'Cause I'm watching the wind in your hair
Yeah I don't really care
'Cause we're singing as loud as we can

We didn't have a lot
We didn't have a lot
But life is what we make it
Life is what we make it

It was harder than we thought
But with you I'm never lost
And life is what we make it
Yeah life is what we make it

Yeah the roads been tough
I'm only telling the truth
We had to fight our way back
'Cause we always had something to prove

Yeah look at those stars
Tell me what they are saying to you
Yeah look in my eyes
Tell me what you're dreaming to do
I'm with you

We didn't have a lot
We didn't have a lot
But life is what we make it
Life is what we make it

It was harder than we thought
But with you I'm never lost
And life is what we make it
Yeah life is what we make it

Oh yeah it's been a ride
But we'll keep on walking our way
And when we look back
We'll say that "these will be the days"

We didn't have a lot
We didn't have a lot
But life is what we make it
Life is what we make it

It was harder than we thought
But with you I'm never lost
And life is what we make it
Yeah life is what we make it

We didn't have a lot
We didn't have a lot

But life is what we make it
Life is what we make it

It was harder than we thought
But with you I'm never lost
And life is what we make it
Yeah life is what we make it

Life is what we make it
