Back to Life

Zayn

What if I changed my mind?
What if I said it's over?
I've been flying so long
Can't remember what it was like to be sober

What if I lost my lives?
What if I said game over?
What if I forget my lines,
And I lose all my composure?

Honestly
She's the only one that's watchin' over me
Gives me oxygen when it gets hard to breathe
And if I'm wrong or right
She's always on my side
And if I lose the fight I know she'll

Bring me back, bring me back
Bring me back to life
Bring me back, bring me back
Bring me back to life

What if we never met
What if I never saw her
'Cause I've been burning up for so long
In a world that just keeps gettin' colder

Honestly
She's the only one that's watchin' over me
Gives me oxygen when it gets hard to breathe
And if I'm wrong or right
She's always on my side
And if I lose the fight I know she'll

Bring me back, bring me back
Bring me back to life
Bring me back, bring me back
Bring me back to life

Nobody does this like you
I've been around the world, I've seen a lot of girls
I've been a lot of places, I've seen a lot of faces
Nobody does this like you

Honestly
She's the only one that's watchin' over me
Gives me oxygen when it gets hard to breathe
And if I'm wrong or right
She's always on my side
And if I lose the fight I know she'll
Bring me back to life
