## **Pillowtalk**

Climb on board We'll go slow and high tempo Light and dark Hold me hard and mellow

I'm seeing the pain, seeing the pleasure Nobody but you, 'body but me, 'body but us Bodies together I love to hold you close, tonight and always I love to wake up next to you I love to hold you close, tonight and always I'd love to wake up next to you

So we'll piss off the neighbours In the place that feels the tears The place you lose your fears Yeah, reckless behaviour A place that is so pure, so dirty and raw Be in the bed all day, bed all day, bed all day Fucking in, fighting on It's our paradise and it's our war zone It's our paradise and it's our war zone

Pillow talk My enemy, my ally Prisoners Then we're free, it's a thin line.

I'm seeing the pain, seeing the pleasure
Nobody but you, 'body but me, 'body but us
Bodies together
I'd love to hold you close, tonight and always
I'd love to wake up next to you

So we'll piss off the neighbours In the place that feels the tears The place you lose your fears Yeah, reckless behaviour A place that is so pure, so dirty and raw Be in the bed all day, bed all day, bed all day Fucking in, fighting on It's our paradise and it's our war zone It's our paradise and it's our war zone

Paradise, paradise, paradise, paradise War zone, war zone, war zone, war zone Paradise, paradise, paradise, paradise War zone, war zone, war zone, war zone

So we'll piss off the neighbours In the place that feels the tears The place you lose your fears Yeah, reckless behaviour A place that is so pure, so dirty and raw Be in the bed all day, bed all day, bed all day Fucking in, fighting on It's our paradise and it's our war zone It's our paradise and it's our war zone
