

## Stardust

Zayn

Pretty Christmas on a cardboard cup  
I wait outside for you to pick me up  
There's something different in the way you touch  
Different in the way you love  
Different in the way you love

Feels like stardust  
Floating all around us  
Shooting right across a big black sky  
Feels like stardust  
Falling all around us  
Funny how it found us  
Maybe I  
Maybe I

I found perfume in a magazine  
Whoa  
Far-off places in a moonlit scene  
Eh  
And I love to be there with you  
And I love to be there with you  
'Cause you make anywhere at all

Feel like stardust  
Floating all around us  
Shooting right across a big black sky  
Feels like stardust  
Falling all around us  
Funny how it found us  
Maybe I  
Maybe I

Feels like stardust  
Floating all around us  
Shooting right across a big black sky  
Feels like stardust  
Falling all around us  
Funny how it found us  
Maybe I  
Maybe I  
Maybe I
