

Germs

Zaytoven

They be saying all I do is flirt
Fuck hoes and all I do is dirt
Man, all these niggas do is purr
I'm skrt, skrt-ing, finna do a curb
Sit back, all you gotta do is learn
I stay trapping, all I do is earn
Your bitch went on you 'cause you a therm
But you can have her back 'cause she got germs

I got big rings, I got big bank
I got chips, Lays, finna hit Chase
Eating filet mignon, hey
Living like a prayer, a priest to a maid
It's all about the free, she gon' let me skeet
She said you rolling, we put you on your knees
I gotta bitch that look like Kelly Bundy
But then she would've said that I was ugly

They be saying all I do is flirt
Fuck hoes and all I do is dirt
Man, all these niggas do is purr
I'm skrt, skrt-ing, finna do a curb
Sit back, all you gotta do is learn
I stay trapping, all I do is earn
Your bitch went on you 'cause you a therm
But you can have her back 'cause she got germs

Hi, baby doll, call me ice
You are all doomed, the delight
Give me some Sprite and some ice
Walked in the bank like, hi, honey, I'm home
Think I'm Randy Moss, I'm going wild
She think I'm Krayzie Bone, but she gon' let me bone
You're saying this and that, but you're high
I'm in LA but I'm on my fucking way to Rome
Turn a foreign two-tone, you know I gotta shit on 'em
Gotta get my poop on, I was tired of riding trucks
Had to get my coupe on, I started with one verse
Had to get my two on

They be saying all I do is flirt
Fuck hoes and all I do is dirt
Man, all these niggas do is purr
I'm skrt, skrt-ing, finna do a curb
Sit back, all you gotta do is learn
I stay trapping, all I do is earn
Your bitch went on you 'cause you a therm
But you can have her back 'cause she got germs
