(Zaytoven)

Somebody call Guwop, I be snapping  
I just cooked another sir, pass a napkin  
Amiri denim, Amiri jacket  
How you drip so hard when you was just mismatching  
I am from Quincy, right by Talle  
Shit so country, drugs so massy  
Now rollie so big, look like brightening  
Them emeralds hit so hard, look like lightning

I keep two sticks bitch, I'm so frightening  
My bitch did her hair, she left dyking  
If yo shit ain't real yeen gon' like me  
If you sell fishscale, got good prices  
Bitch these bapes, not no nikes  
I like money, she don't excite me  
You want a feature, nigga write me  
Turn you to a diver, you like flying  
You buy purses, I ain't buying  
You pop addys, I'm not trying  
I got 4 cheese bitch, I ain't lying  
I'm bout to call the zoo buy bella a lion

Go crazy with the cheese, hundred thousand on the p  
Keep a thousand on my feet, tryna get a thousand p's  
Tryna get a thousand b's, tryna get a thousand m's  
That's that flock that shit will have them niggas chewing on they self

Somebody call Guwop, I be snapping  
I just cooked another sir, pass a napkin  
Amiri denim, Amiri jacket

Shit so country, drugs so massy  
Now rollie so big, look like brightening  
Them emeralds hit so hard, look like lightning

Beat the yay up but I'm not fighting  
Ruger 5-7 strike a bitch like lightning  
Everydays a gamble spot bro like dices  
Hold the g tight hands just like vices  
Running up a check you can call me Nike  
Stay with the bags but I ain't hiking

All my jewelry water fire hydrant

Somebody call Guwop, I be snapping  
I just cooked another sir, pass a napkin  
Amiri denim, Amiri jacket
