

# Slender

Zaytoven

Yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Yeah

Yeah, she tell me I'm the man call me Slender  
Yeah, this codeine got me spinning like propellers  
Yeah, I'm flying through the air like Dementor  
Yeah, I pour it in her cup I do not measure

Yeah, I'm sipping nigga slow down  
Yeah, I'm sipping till the hoe pass out  
Hit the plug up daily got some Cash App  
Yeah, I'm popping I can't feel my ass out  
Got a bad bitch out in California  
Yeah, she likes you cause she likes big numbers  
Yeah, she's hoping for some drip of money  
But all she gets is dick and Kanye

Yeah, she tell me I'm the man call me Slender  
Yeah, this codeine got me spinning like propellers  
Yeah, I'm flying through the air like Dementor  
Yeah, I pour it in her cup I do not measure  
Yeah, I get real high like a tenant  
If that bitch is bad, I'll hit it till it's tender  
Got some money in my pockets so she love me  
Yeah, she only with me cause I like to spend it

All this molly and these percs in my designer  
Yeah, it hits a lil' harder when you blend it  
But what I take is never unattended  
How much I'm taking would not recommend it  
Used to pop a half a pill just to extend it  
Now I take the whole damn script to pop the planet  
Off these pills I do not care how I take to suspend it  
If it doesn't land I tell the plug resend it

Yeah, she tell me I'm the man call me Slender  
Yeah, this codeine got me spinning like propellers  
Yeah, I'm flying through the air like Dementor  
Yeah, I pour it in her cup I do not measure  
Yeah, I get real high like a tenant  
If that bitch is bad, I'll hit it till it's tender  
Got some money in my pockets so she love me  
Yeah, she only with me cause I like to spend it
