

Invincible

ZE:A

I'm going outside my mind
You're try'na get me to hide
Oh I'm never gonna fall in you'll never see me fall under pressure
Like the king I'm gonna reign yeah the world with my name
Forever in your life by mistake

I am strong, define, I live or die
I'll do my very best to survive
Take a chance, one shot
Is that all you got?
I don't even feel a thing
I'm invincible (oh~ oh~ oh~ ohohoh~)
I'm invincible (oh~ oh~ oh~)

You can't take me down

How did you feel that this would be
I'm slowly coming back to reality (eheheh~)
Oh I'm never gonna fall in you'll never see me fall under pressure
G-Get out my mind, just get out my mind
Forever in your life by mistake

I am strong, define, I live or die
I'll do my very best to survive
Take a chance, one shot
Is that all you got?
I don't even feel a thing
I'm invincible (oh~ oh~ oh~ ohohoh~)
I'm invincible~ (oh~ oh~ oh~)

You can't take me down
Maybe someday you'll see
A different kind to light a spark from you to me
And the sun shines tomorrow
I hope there's a different view~

Yeah~! Oh~!

I'm invincible (I'm invincible, I'm invincible)
I'm invincible (I'm invincible, I'm invincible)

You can't take me down
