

Gravedigger's Chant

Zeal & Ardor

Bring the dead body down to the graveyard now
Bring the dead down low, down low
Bring the dead body down to the graveyard, sir
Bring the dead down low, down low

Watch yourself
You can't run
You can't hide
Stay with me
You can't run
You can't hide
Watch yourself

Bring the dead body down
Bring the dead body down
Bring the dead body down
Bring the dead body down

Bring the dead man's shoes to the seashore, child
Bring the dead man's shoes down low
Bring the dead man's shoes to the seashore, child
Bring the old man's shoes down low

Watch yourself
You can't run
You can't hide
Stay with me
You can't run
You can't hide
Watch yourself

Bring the dead body down
Bring the dead body down
Bring the dead body down
Bring the dead body down

(Lord have mercy)
Lord don't have mercy for you
(Lord have mercy)
Lord don't have mercy for you
Watch yourself
(Lord have mercy)
Watch yourself
(Lord have mercy)
Watch yourself
(Lord have mercy)
Lord don't have mercy for you

Bring the dead body down
(Lord have mercy)
Bring the dead body down
(Lord have mercy)
Bring the dead body down
(Lord have mercy)
Bring the dead body down

Wash the dead man clothes in the creek now, child

Wash the clothes till the creek turn red
Wash the dead man clothes in the creek now, child
Wash the clothes till the creek turn red

Bring the dead body down
Watch yourself
Bring the dead body down
Watch yourself
Bring the dead body down
Watch yourself
Bring the dead body down
Watch yourself
Lord don't have mercy for you
Lord don't have mercy for you
Lord don't have mercy for you
