```
Drop the beat!
2 months gone to the day and you were on your way
You said that there was nothing I could say.
But I got the drop on you
I see what you do
I just want to say you run me through
I don't want to let you leave
I don't want to believe that you lied and tried to deceive
I'm not going to be alright
without you.
You Are All I Need!
If you're leaving take me with you - J-eah
I don't wanna start something new - J-eah
Life's a maze, I'm lost without you - J-eah, J-eah
I don't wanna take another drink
I don't wanna think
I Just wanna watch you sink with me
Tell me are you free?
Now that you got yourself far away from me
And I feel like I'm on the ground
You're pulling me down
When you're gone I can't touch the ground
Not gonna be alright
Without you
You Are All I Need!
If you're leaving take me with you - J-eah
I don't wanna start something new - J-eah
Life's a maze, I'm lost without you - J-eah, J-eah
I don't wanna take another drink
I don't wanna think
I Just wanna watch you sink with me
Tell me are you free?
Now that you got yourself far away from me
And I feel like I'm on the ground
You're pulling me down
When you're gone I can't touch the ground
Not gonna be alright
Without you
I never saw the day
Take a look back and one day you will see
You were the one that was meant for me
And all the bad seems to fade away with time
```

When it's all in your mind
And one day when you're face down on the floor
I won't be around anymore
And I won't care then
And I don't care then
You walked out

You Are All I Need! If you're leaving take me with you - J-eah I don't wanna start something new - J-eah Life's a maze, I'm lost without you - J-eah, J-eah I don't wanna take another drink I don't wanna think I Just wanna watch you sink with me Tell me are you free? Now that you got yourself far away from me And I feel like I'm on the ground You're pulling me down When you're gone I can't touch the ground Not gonna be alright Without you
