Zebrahead

It's always like you, thanks for causing a scene
It's attention that you seek
You're a minefield placed with accuracy
Intent to make me suffer suffer

Pain a state of mind
Wanna fight, get in line
Agent orange can't deny
Under cover
Blind to lead the blind
You ain't a friend of mine
I can never read the signs
Suffer (Suffer)

Suffer (Suffer)

You always kick me when I'm down (when I'm down)
And I hate myself when you're around (you're around)
You don't ever see just what you do to me
You always kick me when I'm down
When I'm down!

No one likes you, it's not hard to believe
Your intention is to deceive
You're a trip wire cut me down at the knees
Content to make me suffer suffer

Hate consuming you
Swallow down, suffer through
Adderall to make you new
A dog day summer
Cage without a view
Agony you never knew
Ego bruising black and blue
Suffer (Suffer)

Suffer (Suffer)

You always kick me when I'm down (when I'm down)
And I hate myself when you're around (you're around)
You don't ever see just what you do to me
You always kick me when I'm down
When I'm down!

You always kick me when I'm down
When I'm down

You always kick me when I'm down
And I hate myself when you're around
You don't ever see just what you do to me
You always kick me when I'm down
When I'm down!

Pain a state of mind
When I'm down
Pain a state of mind
