

Liars Starting Fires

Zebrahead

Oh!

Let's go, let's go!

Hey hey

Kill the lights don't trust the voice in your head

Hey hey

There are monsters under your bed

Hey hey

Cuz they've recorded every word that you've said

It's getting hectic (It's hectic)

It's getting hectic

Anticipation

You will never be free

Asphyxiation

It's getting harder to breath

Assassination

You don't know who to believe

It's getting hectic (It's hectic)

It's getting hectic

In my expert opinion this man is insane

Tell me who to believe

Is it honesty?

I just want to know

Tell me who to believe

Don't just lie to me

Sit back and enjoy the show

Oh yeah we're lying just a little bit

Dying just to make it fit

The truth will set you free

Tell me who to believe

When did everyone become fucking naive?

Tell me who to believe

Let's go, let's go!

Hey hey

I can see it crawling under your skin

Hey hey

Like a hurricane making you spin

Hey hey

There go the liars starting fires again

It's getting hectic (It's hectic)

It's getting hectic

Evacuation

No possibility

An infiltration

Fighting for sanity

Your alligation

Survival ain't guaranteed

It's getting hectic (It's hectic)

It's getting hectic

In my expert opinion this man is insane

Tell me who to believe
Is it honesty?
I just want to know
Tell me who to believe
Don't just lie to me
Sit back and enjoy the show
Oh yeah we're lying just a little bit
Dying just to make it fit
The truth will set you free
Tell me who to believe
When did everyone become fucking naive?
Tell me who to believe

Who do you believe?
Who do you believe?
Who (Who)
Do (Do)
You (You)
Who do you believe?
Who (Who)
Do (Do)
You (You)
Who do you believe?

Tell me who to believe
Is it honesty?
I just want to know
Tell me who to believe
Don't just lie to me
Sit back and enjoy the show
Oh yeah we're lying just a little bit
Dying just to make it fit
The truth will set you free
Tell me who to believe
When did everyone become fucking naive?

Tell me who to believe
Is it honesty?
I just want to know
Tell me who to believe
Don't just lie to me
Sit back and enjoy the show
Oh yeah we're lying just a little bit
Dying just to make it fit
The truth will set you free
Tell me who to believe
When did everyone become fucking naive?
Tell me who to believe

Let's go, let's go!
