

# You Can't Bring Me Down

Zed Yago

Your blood is bigger than wine  
So dry your tears and change your mind  
I know what I am talking about  
My life was harder, harder than stone

You're the underdog of our nation  
So find the key to open your soul

You can't bring me down  
You can't bring me down  
And lies will be left behind  
If you think of goodness in mankind

Your power is more than a sign  
So close your eyes and start to fight  
I know what I am talking about  
This makes you stronger, stronger than before

You're the underdog of our nation  
So find the key to open your soul

You can't bring me down  
You can't bring me down  
And lies will be left behind  
If you think of goodness in mankind

You're the underdog of our nation  
So find the key to open your soul

You're the underdog of our nation  
So find the key to open your soul
