

# Automatic Yes

Zedd

I know we already tried to love  
And then we said goodbye because  
You couldn't trust yourself to fall  
I heard you found another man  
And that you're on your own again  
And maybe I hope it's me you call

I don't want to break the silence  
I don't want to play pretend  
I don't want to be the same mistake you make again  
Yes, I'm gonna keep the promise  
But if you ever ask me it's an automatic, automatic

Yes, yes, yes, yes, I wanna  
Yes, yes, yes, yes, I wanna  
Yes, yes, yes, yes, I wanna  
Yes, yes, yes, yes, I wanna

Don't lie, you're scared of what your friends will say  
But they don't know me anyway  
And, baby, I understand the game  
You think you've heard enough and so  
You're gonna have to let me go  
But you gotta take a chance to know

I don't want to break the silence  
I don't want to play pretend  
I don't want to be the same mistake you make again  
Yes, I'm gonna keep the promise  
But if you ever ask me it's an automatic, automatic, yes for me

Yes, yes, yes, yes, I wanna  
Automatically you're on my mind  
Yes, yes, yes, yes, I wanna  
I come running when you're all mine  
Yes, yes, yes, yes, I wanna  
Do it to myself time after time  
Yes, yes, yes, yes, I wanna  
I wanna

You don't have to ask me twice  
You already know I will  
I don't have to tell you that I love you still  
That I love you still  
You don't have to ask me twice  
You already know I will  
I don't have to tell you that I love you still  
That I love you still

You don't have to ask me twice  
You already know I will  
I don't have to tell you that I love you still  
That I love you still  
You don't have to ask me twice  
You already know I will  
I don't have to tell you that I love you still  
That I love you still
