

# Descensus

Zedd

You, me, at midnight  
Sun and the moon like  
Star-crossed souls  
Turning a blind eye  
Holding your dark side  
As my own  
Stood in the headlights  
Squeezing my hand tight  
Don't let go

If you go down, I'm  
Staying by your side  
If you're going down, I'm going

If you're going down, I'm going  
If you're going down, I'm going too

Caught in the crossfire  
Watching the sparks fly  
Don't they know?

We're on our own side  
Fighting our own fight  
You're my home

Stood in the headlights  
Holding my hand tight  
Don't let go

If you go down, I'm  
Staying by your side  
If you're going down, I'm going too  
I'm tired of being lonely, how 'bout you?  
If you're going down, I'm going

If you're going down, I'm going  
If you're going down, I'm going too

So if you're going down  
If you're going down, I'm going too
