

Balloons

Zeina

Oh, oh, oh, oh
Playin' with balloons
Playin' with balloons
Stop playin' with your latex balloons
Playin' with balloons
Stop playin' with balloons
Balloons, balloons, balloons, balloons
I'mma pop pop pop-a-pop' em uh
Pop pop pop-a-pop' em uh
Ah-ah-ah-ah
Ah-ah-ah-ah

Nothin' grounded you can give me
Up in air, it's how you deal with me
You gotta tell me, speak clearly
Mindset getting stormy
It's like I'm holding all your shit in a bag with a broken strap
These days I've been runnin' so much, you still want me runnin' laps
Ah-ah, ah-ah
Run baby run but I won't Forrest Gump for your ass
Ah-ah

(Playin' with balloons
Stop playin' with your latex balloons)

I need a lowkey piece that can keep it hush hush, SH!
Someone to keep it clutch, blood rush
Never tell me nothin', got me guessing, now I'm stressing
You messing up my head
Why you always upset
Why you always upset

Playin' with balloons
Playin' with balloons
Stop playin' with your latex balloons
Playin' with balloons
Stop playin' with balloons
Balloons, balloons, balloons, balloons
I'mma pop pop pop-a-pop 'em uh
Pop pop pop-a-pop 'em uh
Ah-ah-ah-ah
Ah-ah-ah-ah
