

# Hit Me Up

Zeina

Just hit me up  
Oh baby hit me up  
Oh hit me up, just hit me up  
Just hit me up  
Oh baby hit me up  
Oh hit me up, just hit me up

Now when you come to my city, hit me up  
And when you're solo feelin lonely, hit me up  
And when you need that company, hit me up  
Just hit me up, just hit me up

I need your touch all over  
Salt and pepper giving me that flavor  
Game changer, someone call danger  
Party favours taking me to where I wanna go  
Feel you feeling me, don't ever hit the road  
Turn me up, Wine me up and lay me down  
I Feel you feeling me, don't ever hit the road  
Turn me up, Wine me up and lay me down

Just hit me up, just me hit up  
Oh baby hit me up  
Hit me up  
Just hit me up, just hit me up  
Oh baby hit me up  
Hit me up

Now when you come to my city, hit me up  
And when you're solo feelin lonely, hit me up  
And when you need that company, hit me up  
Just hit me up, just hit me up (Hit me up)  
Just hit me up  
Just hit me up  
Just hit me up, Oh baby hit me up  
Just hit me up

Dreaming of chilling by the water  
Dirty dancing to the beat of the drummer  
Slower, faster and side to side  
And then you one, two, three hips moving like the waves of sea  
Won't you wine that thing pon' me  
Hips moving like the waves of the sea  
Won't you wine that thing pon' me

Just hit me up, just me hit up  
Oh baby hit me up  
Hit me up  
Hit me up  
Just hit me up  
Oh baby hit me up  
Hit me up

Now when you come to my city, hit me up  
And when you're solo feelin lonely, hit me up (Just hit me up)  
And when you need that company, hit me up (Call me)  
Just hit me up, just hit me up

Hit me up  
Just hit me up

Feeling you, feeling me  
Feeling you, feeling me  
Feeling you, feeling me  
Feeling you, feeling me  
Oh hit me up when you're in my city  
I'm feeling you and you are feeling me
