Zeina

I'm busy and you hate it  
Mind is on my payment  
You've been just so patient  
Tu comprends ma lifestyle  
Et tu sais notre sex est trop wild  
This' why you're my favourite  
Ma bet mel naterne  
La tshoufne bel layle  
I know you've been

You've been so fed up  
That I've been too consumed  
Said I'll be there soon  
Soon  
Anxious for your love  
Boy, remove your shoes  
I'll take care of you  
You

I won't stop give you all I got  
I ain't love a lot, but you're my best shot  
You're my soft spot key to my lock  
'Til it's 3 o'clock, make my bed rock  
You deserve it, I'm all yours tonight baby  
N-A-S-T-Y with it  
N-A-S-T-Y with it  
Ouh I need it

You're the type that I know if I lied, you would lie too  
And face the charges with me  
Ride around in a stolen if I'm in it  
You're the heart on the pages I've been spilling  
You got me feeling lifted ouh, baby  
Yeah, t'es ma faiblesse, I'm so ready  
Et j'arrête pas de penser à  
Quand tu vas enlever mes vêtements

You've been so fed up  
That I've been too consumed  
Said I'll be there soon  
Soon  
Anxious for your love  
Boy, remove your shoes  
I'll take care of you  
You

I won't stop give you all I got  
I ain't love a lot, but you're my best shot  
You're my soft spot key to my lock  
'Til it's 3 o'clock, make my bed rock  
You deserve it, I'm all yours tonight baby  
N-A-S-T-Y with it  
N-A-S-T-Y with it

I can't get enough  
Your love is my drugs  
I can't get enough

Way you ride for me  
I think that you could be the one  
This is more than love  
I can't get enough  
We are all we need and that's on us

I won't stop give you all I got  
I ain't love a lot, but you're my best shot  
You're my soft spot key to my lock  
'Til it's 3 o'clock, make my bed rock  
You deserve it, I'm all yours tonight baby  
N-A-S-T-Y with it  
N-A-S-T-Y with it  
Ouh I need it
