

Twisted

Zeke

Get down!

Twisted on my 69
I'm in love with the 69 69
I'm in love with the 69 69

Yeah, yeah, yeah, yeah

She comes by,
She comes by,
She comes by me
And you can't have her now
And you can't have her now

Twisted on my 69
I'm in love with the 69 69
I'm in love with the 69 69

Yeah, yeah, yeah, yeah
