

Dance For Love

Zella Day

I went out walking, humming a song for my baby
He's on my mind, I'm passing the time while he's far away
He doesn't know it, it's how I show him I care
Moving my body, throwing my hands in the air

I looked around to make sure nobody saw me crying
'Cause if he were here right now, he would look at me and he would sa
y
Say, say, say

I just wanna dance for love
Celebrate it just because
I just wanna dance for love
Celebrate it just because I can

I remember last summer, I spent it crying most of the time
Now he's lifting the fog, the stage lights come on, I'm the star of t
he show
Well, he doesn't know it, it's how I show him I care
Mm, moving my body, throwing my hands in the air

I went for a walk down Franklin Avenue
I knock on the door, it used to be his door, but that don't matter no
more
'Cause I got everything I need right here

I just wanna dance for love
Celebrate it just because I got you
I just wanna dance for love
Celebrate it just because I can

Ha, ah-ah-ah, ah-ha
You make me wanna, you make me wanna
You make me wanna, you make me wanna, you

I just wanna dance for love
Celebrate it just because
I just wanna dance for love
Celebrate it just because I can
I just wanna dance for love
Celebrate it just because, ooh

Celebrate it
(Uh, do-do, do ya, do ya?)
Celebrate it
(Uh, do I make you wanna?)
Celebrate it
Celebrate it
Celebrate it
Celebrate it
Celebrate it
