

# Bring The Fire

Zendaya

Oh, oh, oh, oh, oh, oh, oh  
Bring the fire tonight  
Oh, oh, oh, oh, oh, oh, oh  
Bring the fire tonight

Let's sneak in the back  
Getting in for free  
Heart attack  
'Cause I'm too afraid to do this, yeah  
Deep breath, I'm a wreck  
But I came to d-d-d-dance, d-d-d-dance

I'm weak, f-feeling lost  
Weak, don't miss your shot  
Weak, show what I got  
W-w-what I got

Do it up, do it up  
Do it up on the floor  
Aye yeah, aye yeah  
And bring the fire tonight  
Do it up, do it up  
Can ya gimme some more?  
Aye yeah, aye yeah  
And bring the fire tonight  
DJ spinnin' my heart and there's  
Nothing's gonna stop us  
Do it up, do it up  
Do it up on the floor  
Aye yeah, aye yeah, yeah, yeah

It's showtime  
Make a move, we didn't come this far  
Just to freeze from standing over in this corner, no  
Spotlight passing by  
Time to clear the way-ay-ay-ay, ay-ay-ay-ay

I'm weak, I wanna rock  
Weak, don't miss your shot  
Weak, show what I got  
W-w-what I got

Do it up, do it up  
Do it up on the floor  
Aye yeah, aye yeah  
And bring the fire tonight  
Do it up, do it up  
Can ya gimme some more?  
Aye yeah, aye yeah  
And bring the fire tonight  
DJ spinnin' my heart and there's  
Nothing's gonna stop us  
Do it up, do it up  
Do it up on the floor  
Aye yeah, aye yeah, yeah, yeah

Show my passion

Keep on dancing  
Hot as lighting  
Oh yeah, oh yeah  
Oh yeah, oh yeah  
I felt unsteady  
But now I'm ready  
So come and get me  
Oh yeah, oh yeah  
Oh yeah, oh yeah

I'm weak, I wanna rock  
Weak, don't miss your shot  
Weak, show what I got  
W-w-what I got

Do it up, do it up  
Do it up on the floor  
Aye yeah, aye yeah  
And bring the fire tonight  
Do it up, do it up  
Can ya' gimme some more?  
Aye yeah, aye yeah  
And bring the fire tonight  
DJ spinnin' my heart and there's  
Nothing's gonna stop us  
Do it up, do it up  
Do it up on the floor  
Aye yeah, aye yeah, yeah, yeah
