

Critical

Zendaya

The situation is critical
(Ha, ha, ha)
Yeah, babe (critical)
What you gon' do?
Ooh, yeah
Ooh, yeah
It's critical

The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life, life, life, life (it's critical)
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life support (it's critical)
Uh, uh, uh
The heart is on life, life, life, what you gon' do?
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life, life, life, life (critical)

It's critical, critical
Mental, physical
Every individual stands at the pinnacle
Lets get visual, deeper than a mineral
Dance to the rhythm of the lyrical miracle
Empirical, why be cynical?
One world, one love, all indivisible
Call me the general, call me original
But call me 'cause I can rock a mic incredible

The situation is critical
Hi, y'all, so hit the critical
Life, life, life, what you gon' do?

The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life, life, life, life (it's critical)
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life support (it's critical)
Uh, uh, uh
The heart is on life, life, life, what you gon' do?
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life, life, life, life

That's not my mess, that's not my mess
You clean it up, you-you clean it up (yeah)
That's not my mess, that's not my mess
You clean it up, you-you clean it up

The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life, life, life, life (it's critical)
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life, life, life, life (it's critical)
The heart is on life support
The heart is on life support
The heart is on life support
The heart is on life, life, life, what you gon' do?
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life support (critical)
The heart is on life, life, life, life (it's critical)
