

Make Your Mark

Zendaya

We'll make a mark
We'll make a mark (We're gonna)
We'll make a mark
We'll make a mark (On the dance floor)
We'll make a mark (We're gonna)
We'll make a mark (On the dance floor)
We'll make a mark
We'll make a mark

Show time, strobe lights (Strobe lights)
Good life, feels right
We're dancing (We're dancing right now)
Nothing could be better now
(Nothing's better, no, no, nothing's better)
Oh yeah

We could do whatever we like and get crazy
If you wanna hang, alright, be my baby
Takin' on the world like Superman, save me
Braver, stronger like the Navy, daily
Please don't try to fake it
Only truth in life's creations
Spread the love, no heart is vacant
In the end, we'll all be saying, we gonna

Make your mark, make your mark on the dance floor
Make your mark, make your mark on the dance floor
It's time, it's time to start it up
Give all you got no matter what
Make your mark, make your mark on the dance floor
Make your mark, make your mark on the dance floor
Tonight we're gonna let it show
We are, we are unstoppable

Oh, oh, oh, oh, we'll make a mark
Oh, oh, oh, oh, on the dance floor
Oh, oh, oh, oh, we'll make a mark
Oh, oh, oh, oh, on the dance floor

Livin' legends
Movin', doin' whatever (We're gonna change the world)
Tonight we gon' set us off (Set it off)
Oh, yeah (Set it off)

Spiralin' out and I'm wilder now
All these crazy people gettin' louder now
I steppin' out on the scene 'cause I'm ready now
R-ready now (R-ready now)
I'm showin', I'm tellin' 'em where I'm from, from, from
I'm taking control, getting what I want
'Cause we are

Make your mark, make your mark on the dance floor
Make your mark, make your mark on the dance floor
It's time, it's time to start it up
Give all you got no matter what
Make your mark, make your mark on the dance floor

Make your mark, make your mark on the dance floor
Tonight we're gonna let it show
We are, we are unstoppable

We'll make a mark (Wildin' now)
We'll make a mark (Louder now, louder now)
We'll make a mark (Ready now)
We'll make a mark (I'm ready now)
We'll make a mark (Wildin' now)
We'll make a mark (Louder now)
We'll make a mark (Ready now)
We'll make a mark (We are)

Make your mark, make your mark on the dance floor
Make your mark, make your mark on the dance floor
It's time, it's time to start it up
Give all you got no matter what
Make your mark, make your mark on the dance floor
Make your mark, make your mark on the dance floor
Tonight we're gonna let it show
We are, we are unstoppable

Oh, oh, oh, oh, we'll make a mark
Oh, oh, oh, oh, on the dance floor
Oh, oh, oh, oh, we'll make a mark
Oh, oh, oh, oh, on the dance floor
