

# Moves Like Magic

Zendaya

Hoh, huh, come on  
Look behind the curtain, I still don't understand  
Was it misdirection or is it just lotta hand?  
Is your illusion playing tricks on my mind?  
In my confusion losing track of the time

How do you do it  
How do you do it?  
(Oh)  
How do you do it  
There's nothing to it

How do you do it  
How do you do it?  
(Oh)  
How do you do it?

She moves like magic on the floor  
Always leavin' wantin' more  
She got nothin' up her sleeve  
I don't know what to believe

I just move like magic on the floor  
Leavin' kisses in the shore  
She be looking to deceive  
I don't know what to be believe

She moves like magic on the floor  
Leavin' kisses in the shore  
She be looking to deceive  
I don't know what to be believe  
She moves like magic on the floor
