

Something New

Zendaya

I wanna try something, all night
I wanna try something, all night

Don't know your name, but I guess I really don't care
I prolly should wait, but I wanna letcha go there
I wanna try something new, all night
I wanna try something new, all night
I wanna try something

The way you looking tonight (tonight)
Only one thing comes to my mind
When the lights come on at 2
I'll still be moving witchu
You ain't looking at nobody
Just my body

Don't know your name, but I guess I really don't care
I prolly should wait, but I wanna letcha go there
I wanna try something new, all night
I wanna try something new, all night
I wanna try something

Ahhh ooh, ahhh, I wanna try baby
Ahhh ooh, all night
Ahhh, babe

Oh I, oh I, oh I, baby
Oh I, oh I, oh I, baby

Hey, whatcha doin tonight?
I see that look in your eyes
I feel the same, yeah yeah
Taste your lips girl when we kiss
Why don't we handle this?
Girl you know I need some affection, yeah yeah

Don't know your name, but I guess I really don't care
I prolly should wait, but I wanna letcha go there
I wanna try something new, all night
I wanna try something new, all night
I wanna try something

Ahhh ooh, ahhh, I wanna try baby
Ahhh ooh, all night
Ahhh, babe

This ain't forever baby, just tonight
Just sit back and take my direction yeah

Don't know your name, but I guess I really don't care
I prolly should wait, but I wanna letcha go there
I wanna try something new, all night
I wanna try something new, all night

Ahhh ooh, ahhh, I wanna try baby
Ahhh, I wanna try baby, ooh
Ahhh ooh, babe

Ahhh ooh, girl if ya let me
