

Twist My Hips

Zendaya

The energy's in that flow
Feel the beat, don't be so careful
Everybody here looks so beautiful
In the light, when we move, it's ethereal

Do you feel this?
Do you feel that?
Do you take some?
Did you get back
Are you ready to move it, move it?
'Cause I'm ready to lose it, lose it
So let it flow (hey)
Get back on the flo' (hey)
If you take it slow
Well, I'm ready to go
So watch me, watch me

I twist my hips (watch me)
I pump my fist (watch me)
I move like this (watch me)
Whirl (watch me)
Whirl (watch me)
I pout my lips (watch me)
I swerve and dip (watch me)
I slide and switch (watch me)
Whirl (watch me)
Whirl (watch me)

Yo, all I need is a beat and a dancefloor
Honestly, what more could y'all ask for?
It's like a passport to another world
The DJ spinnin' like a whirlwind swirl
And we straight grinnin' like winnin' in the ninth inning
I'ma wait, willin' to be thrillin' is a great feelin'
I'ma take what I get
Motivate, take a step
Innovate, get a rep
Levitate, manifest

Do you feel this?
Do you feel that?
Do you take some?
Did you get back?
Are you ready to move it, move it?
'Cause I'm ready to lose it, lose it
So let it flow (hey)
Get back on the flo' (hey)
If you take it slow
Well, I'm ready to go
So watch me, watch me

I twist my hips (watch me)
I pump my fist (watch me)
I move like this (watch me)
Whirl (watch me)
Whirl (watch me)
I pout my lips (watch me)

I swerve and dip (watch me)
I slide and switch (watch me)
Whirl (watch me)
Whirl (watch me)

So get it right, or don't get it at all
We are fall, don't curl up into a ball
And don't stall, stand tall
Get your back off the wall
And get back on the ball
And get back involved now
Grab it all by the hand
And pull it like a rubberband
Back & forth, like an accordion
Plan spontaneous, spark instantaneous
Reach for the sky, now get subterraneous

Do you feel this?
Do you feel that?
Do you take some?
Did you get back?
Are you ready to move it, move it?
'Cause I'm ready to lose it, lose it
So let it flow (hey)
Get back on the flo' (hey)
If you take it slow
Well, I'm ready to go
So watch me, watch me

I twist my hips (watch me)
I pump my fist (watch me)
I move like this (watch me)
Whirl (watch me)
Whirl (watch me)
I pout my lips (watch me)
I swerve and dip (watch me)
I slide and switch (watch me)
Whirl (watch me)
Whirl (watch me)

I twist my hips (watch me)
I pump my fist (watch me)
I move like this (watch me)
Whirl (watch me)
Whirl (watch me)
I pout my lips (watch me)
I swerve and dip (watch me)
I slide and switch (watch me)
Whirl (watch me)
Whirl (watch me)
