Gravity will win  
I'll just keep on fallin'  
I'm losin' all my sense  
You're pullin' me back in

Fear in my heart  
Feelin' all this dark  
Ah  
Ooh

But I've been dreamin' of this fear of flying  
And it's real violent  
Ah

Walk a thousand times  
Tasting bitter morning  
Ultramarine  
Feel my fate rush in

Fear in my heart  
Feelin' all this dark  
Ah

But I've been dreamin' of this fear of flying  
And it's real violent  
Ah

Fear in my heart  
Feelin' all this dark  
Fear in my heart  
Feelin' all this dark  
Ah  
Ooh

Fear in my heart  
Feelin' all this dark  
Ah
