

# Swimmers

Zero 7

Do you know  
We are the young ghosts?  
In reverse  
Our stories unfold  
Moving slow  
We're just killing time  
And we know  
This fear is a crime

Surrender to your love  
Surrender to your heart  
Surrender

We are swimmers  
Caught in the tide  
Pitch black river  
Shadows and light  
Into the night  
Beautiful swimmers  
Losing the fight  
A constant river  
Shadows and light  
Into the night

Coming home  
We're shaking the grass  
All alone  
So far from the path  
Do you know  
I see you so clear?  
Yes, I know  
It's happening here

Surrender to your love  
Surrender to your heart  
Surrender

We are swimmers  
Caught in the tide  
Pitch black river  
Shadows and light  
Into the night  
Beautiful swimmers  
Losing the fight  
A constant river  
Shadows and light  
Into the night

We are swimmers  
Caught in the tide  
Pitch black river  
Shadows and light  
Into the night  
Beautiful swimmers  
Losing the fight  
A constant river  
Shadows and light

Into the night
