

Ash Wednesday

Zeromancer

"You are dust and to dust you shall return"
"You are dust and to dust you shall return"
"You are dust and to dust you shall return"
"You are dust and to dust you shall return"

I ask you out
I pick you up at eight
I take you to Hollycaust
It's Ash Wednesday

It's the fetish ball
and we go dancing
at the Holly-Holly-Hollycaust
To twist the pain away

Never get you down
Just let it go
Leave your soul alone
You need to let it flow

It's not the end of the world
It's not the end of the world
It's not the end of the world
It's just another black hole

I want to worship you
Until the end of time
Let me take you to Hollycaust
Let's roll in dust

Come on, come on and gag me
Come on and gag me
Yeah, Yeah
Come on and gag me
Come on and gag me
Yeah, Yeah

Let me look at you
Mark you with a cross
Start your repentance

Never get you down(Never get you down)
Just let it go(Just let it go)
Leave your soul alone(Leave your soul alone)
You need to let it flow

Never get you down(Never get you down)
Just let it go(Just let it go)
Leave your soul alone(Leave your soul alone)
You need to let it flow

It's not the end of the world
It's not the end of the world
It's not the end of the world
It's just another black hole
