

Chrome Bitch

Zeromancer

I found myself
all wired up
on things I don't really care about
it makes no sense
what I'm going through
I lay on my back taking shit from you

Why do I have to put up with this?
Why do I have to put up with this?
Why do I have to put up with this?
Why do I have to put up with this?

It goes away as you start to love
The pleasure....
it goes away as you start to love

Why do I have to put up with this?
Why do I have to put up with this?
Why do I have to put up with this?
Why do I have to put up with this?

You peeled me off
like a second skin
you tried to find another way in
to my deepest secrets
my deepest scars
it's gotta hurt the stuff you see in the stars

Why do I have to put up with this?
Why do I have to put up with this?
Why do I have to put up with this?
Why do I have to put up with this?

It goes away as you start to love
The pleasure....
it goes away as you start to love
