## **Famous Last Words**

Zeromancer

Kill your senses You might be right Hold your fire I'll take you higher Never drop We'll never stop

Tar for feathers Blood for honey Milk for money Isn't it funny how it hurts? How it hurts

You never see me make The same mistake twice You never see a tear Coming out of these eyes You never see me beg For another shot And you never see me change Into something I'm not Famous last words

Stare at someone You used to know Laughs at you Turns around and fade away If only I could see it that way

Kill your senses It can't be right Isn't it funny how it hurts?

You never see me make The same mistake twice You never see a tear Coming out of these eyes You never see me quit See me disengage And you never see me spit in your face Out of rage Famous last words
