Crush

Zhané

I needed sunshine in my days
Something to wash away the pain
I saw a very gentle side of him
That took my heart and made it sing

I wish he'd run away and hide with me
Love hurts so much more than it seems
There was one thing I didn't show
I love him and he doesn't know

I wonder if I ever see the day
Will I ever find the nerve to say, I love you?
And will he turn around, walk away
Will he leave or will he stay if I tell him?

Could he be the one who was in my dreams?
Could he be the one sent down for me?
There was one thing, I failed to show, babe
I love him and he doesn't know

Have you ever loved somebody?
Secretly loved somebody who didn't know
Have you fell in love with somebody?
Deeply loved somebody who didn't know

I love him and he doesn't know me
I love him and he doesn't know
There was one thing I didn't show, baby
I love him and he doesn't know
