

Sweet Taste Of Love

Zhané

Not asking for a Diamond ring
Don't need superficial thangs
What I want from you is easy, (easy)
If you really want me, Oh

I want you to love me
Kiss and to hold me
Treat me like you want to be with me
Anything you do to me
Makes me go crazy
See the good that love can truly bring

Sweet Taste of Love
(The Taste of Love, if fills me up,
Sensation, sweet, don't ever stop, No, No, No)
Sweet Taste of Love (Oh, oh, oh)

I don't want your hand in marriage
And I don't need no baby carriage, Nah, No, No
What I want from you is easy, (easy)
If you really want me, Oh

I want you to love me
Kiss and to hold me
Treat me like you want to be with me
Anything you do to me
Makes me go crazy

See the good that love can truly bring

Sweet Taste of Love
(The Taste of Love, if fills me up,
Sensation, sweet, don't ever stop, No, No, No)
Sweet Taste of Love (Oh, oh, oh)

Love is so sweet
When you finally find someone that you can care for
Then I found you
Imma addic-ted to the
