

## 100 Ways

Zhavia Ward

I don't even moonwalk  
I don't believe in moving backwards  
If you knew just where I came from  
You would understand me better, why I never

Take shit for granted  
'Cause I ain't always had it  
From my shoes to my tattoos  
Tryna make this a habit, ah  
Them who think that they are stoppin' me

They don't know I got a hundred ways  
Hundred ways to get it every day  
Only catch me restin' in my grave  
I'm too busy countin' numbers  
If I lose it watch me do it better  
Come up with another hundred ways  
(Hundred, hundred, hundred, hundred  
Hundred, hundred, hundred, hundred) ways  
Hundred, hundred, hundred, hundred  
If I lose it watch me do it better  
Come up with another hundred ways

I'm just tryna stay way up  
Get in my convos in with Jesus  
By the way he says what's up  
And you've told me he forgives you

Don't take shit for granted  
'Cause I ain't always had it  
From my shoes to my tattoos  
Tryna make this a habit, ah  
Them who think that they are stoppin' me

They don't know I got a hundred ways  
Hundred ways to get it every day  
Only catch me restin' in my grave  
I'm too busy countin' numbers  
If I lose it watch me do it better  
Come up with another hundred ways  
(Hundred, hundred, hundred, hundred  
Hundred, hundred, hundred, hundred) ways  
Hundred, hundred, hundred, hundred  
If I lose it watch me do it better  
Come up with another hundred ways

Always got a hundred ways yeah  
Never see me run away, no  
[?] oh

I do it all my own ways  
Hundred ways to get it every day  
Only catch me restin' in my grave  
I'm too busy countin' numbers  
If I lose it watch me do it better  
Come up with another hundred ways  
(Hundred, hundred, hundred, hundred

Hundred, hundred, hundred, hundred) ways  
Hundred, hundred, hundred, hundred  
If I lose it watch me do it better  
Come up with another hundred ways
