

# I Won't Sell My Soul

Zheani

With blood in your eyes you can't see the same  
It's a bleeding shame, we are not the same  
I will eat the pain  
With blood in your eyes we can't see the same  
It's a bleeding shame, we are not the same  
I will eat the pain  
Bucket leaking out, wanna scream and shout  
Let the demons out, teeth cracked in my mouth  
We are sailing south  
I can't take this world - blood is running cold  
I am getting old, I won't sell my soul  
I won't sell my soul

I won't sell my soul, I won't sell my soul  
I won't sell my soul, I won't sell my soul  
I won't sell my soul, I won't sell my soul  
I won't sell my soul, I won't sell my soul

Born as a drug addict's daughter  
Daddy good looking, but momma was hotter  
Dumb like a lamb to the slaughter, but I grew tough from the dirt as a toddler  
I grew bolder, badder runs in the family  
14 years old had a man say he loves me  
Got what he wanted and then he was done with me  
All of those memories, drown them in Hennessy  
Momma beat with a bat and the cops they did nothing  
Battered and bruised, watched her climb out the gutter  
Keep speaking it straight, I won't crumble or stutter  
Monsters are real, can't hide under the covers  
I learnt to suffer and grew up a cutter  
If I was a man, I'd be in jail my brother;  
There's ugly in this world, just flip to uncover  
But it's real motherfuck, take a look and then shudder

With blood in your eyes you can't see the same  
It's a bleeding shame, we are not the same  
I will eat the pain  
With blood in your eyes we can't see the same  
It's a bleeding shame, we are not the same  
I will eat the pain  
Bucket leaking out, wanna scream and shout  
Let the demons out, teeth cracked in my mouth  
We are sailing south  
I can't take this world - blood is running cold  
I am getting old, I won't sell my soul  
I won't sell my soul

I won't sell my soul, I won't sell my soul  
I won't sell my soul, I won't sell my soul  
I won't sell my soul, I won't sell my soul  
I won't sell my soul, I won't sell my soul
