

## Lava

Zheani

My desire  
Flow like lava  
(Wet but hot)  
My desire  
Flow like lava  
(Wet but hot)

My desire  
Flow like lava  
My desire  
Flow like lava  
My desire  
Flow like lava  
My desire  
(Woh)

I'm tropical sipping on something with Malibu, pineapple, I don't know  
I'm tipsy with biddies that ditsy with hips that are swaying, phenomenal  
I'm lighting up Molotov's  
Chuckling them at the wall  
Had enough, want it all  
I'm cynical, clinically the sickest cunt  
That ever did stunt of em all  
(Holiday holiday)

Holiday in Japan ya  
Holiday in Hong Kong  
Booty in a thong ya  
Go off with a bang  
Lady Peter Pan ya  
Tinker bell with a plan  
Hakuna Matat-y  
Let's have a pool party  
(My Gun)  
Fairy trappin' that snapchat  
Hater coppin' a clap back  
Paypal poppin' no cash app  
Got her gigglin' like splash brat  
Wet though  
What you say hoe?  
Put it together like lego  
Pushing her button Nintendo

Wet like water  
Hot like fire  
My desire  
Flow like lava  
My desire  
Flow like lava  
(Wet but hot)  
My desire  
Flow like lava  
My desire  
Flow like lava  
My desire  
Flow like lava  
My desire

(Woh)  
(Ya)  
(Ayy)  
My desire  
Flow like lava  
My desire  
Flow like lava  
My desire  
Flow like lava  
My desire

I'm tropical sipping on something with Malibu, pineapple, I don't know  
I'm tipsy with biddies that ditsy with hips that are swaying, phenomenal  
I'm lighting up Molotov's  
Chuckling them at the wall  
Had enough, want it all  
I'm cynical, clinically the sickest cunt  
That ever did stunt of em all

I ain't gonna fall ya  
Hold on to my soul  
Midas for the gold ya  
If it's true be told  
Carbine going off  
Palm tree volley ball  
I ain't gonna fall yeah  
I ain't gonna fall  
My gun  
Bang bang  
Wet like water  
Hot like fire  
My desire  
Flow like lava  
My desire  
Flow like lava  
(Wet but hot)  
My desire  
Flow like lava  
My desire  
Flow like lava  
My desire  
Flow like lava  
My desire  
Flow like lava  
My desire  
Flow like lava  
My desire  
Flow like lava  
My desire  
Flow like lava  
My desire
