Lizard Queen

Zheani

Mmm, Los Beats

Mama like a sister but my papa dead
Slung but never sold my body, saw my blood run red
Roses on the bed, a bullet in my head
But don't blame me, I guess I'm just cold blooded

Lizard Queen, Lizard Queen (Yaw)
Lizard Queen, Lizard Queen (Yaw yaw yaw)
Lizard Queen, Lizard Queen
But don't blame me I guess I'm just cold blooded

You were like my sister, you gave me a home
I was lost in my head, you had problems of your own
Fury on the phone and then we are alone
But don't blame me, I guess I'm just cold blooded

Lizard Queen, Lizard Queen
Lizard Queen, Lizard Queen
Lizard Queen, Lizard Queen
But don't blame me I guess I'm just cold blooded

I should be on my knees with my eyes full of tears
But my eyes are full of pride that I've hidden all these years
Won't admit my fears, I'm not who I appear
But don't blame me, I guess I'm just cold blooded

Lizard Queen, Lizard Queen
Lizard Queen, Lizard Queen (Yaw yaw yaw)
Lizard Queen, Lizard Queen
But don't blame me, I guess I'm just cold blooded
