This shit be getting old to me
These bitches think they bros to me
Attention they all want from me
They tryna drain my energy
These suits, they want control of me
These hoes, they want a hold of me
They see what I had built for me
They hiding all their guilt from me

If you don't give a fuck, then I don't give a fuck
Why you tryna be a friend to me?
If you don't give a fuck, then I don't give a fuck
Prayers for my enemies
If you don't give a fuck, I don't give a fuck
Blessings, they were sent to me
If you don't give a fuck, then I don't give a fuck
You can have my sympathies

If you don't give a fuck, then I don't give a fuck
If you don't give a fuck, then I don't give a fuck
If you don't give a fuck, then I don't give a fuck
If you don't give a fuck, then I don't give a fuck
If you don't give a fuck, then I don't give a fuck
If you don't give a fuck, then I don't give a fuck
If you don't give a fuck, then I don't give a fuck
If you don't give a fuck, then I don't give a fuck
If you don't give a fuck
