

Lost It

Zhu

Lost it
I've been up all night
I'm still tryna' find my mind
I've lost it
I'm feelin' so blind, I hate when you're not mine
I've lost it
In the Ocean, in your potions, my emotions
I've lost it, the explosion, the corrosion
I lost it
Oh, can I get it all back?

I lost it
Oh
I need it, I need it, I need it
I lost it
Oh
Get the magic all back
I lost it, in the moment
