Zhu

I know you're here for me
I know you heard about me
You know you felt my beats
You know that base got you weak

You tryna smoke in sex
You tryna make a mess
I drop the illest sets
I know I got you wet

I got you wet, wet, wet, wet
I got you wet, wet, wet, wet
I got you wet, wet, wet, wet
I got you wet, wet, wet, wet

I got you wet, wet, wet, wet
I got you wet, wet, wet, wet
I got you wet, wet, wet, wet
I got you wet, wet, wet, wet

I got you wet, wet, wet, wet
I got you wet, wet, wet, wet
I got you wet, wet, wet, wet
I got you wet, wet, wet, wet
