

On Hold

Ziggy Alberts

I think we're at a crossroads, like my career is this a metaphor or something
Just how the river it flows if you're going to jump in be committed be trusting
You care a lot about words, but say things you didn't mean and truthfully I don't dig that
I care a lot about words, but I sit here say nothing avert my eye contact

Maybe, we both got things that we didn't ask for I'm still glad that we gave it a go
I'm glad we didn't put it on hold
And well did we, get into something that we didn't sign up for
I'm still glad that we gave it a go
I'm glad we didn't put it on hold

Summer dresses amongst my clothes in my cupboard built up out of milk crates
Memories of wind-blown days, home-made sleeping on a bed without a bed frame
I care a lot about words and I've said a couple things that truthfully I want to take back
You care a lot about words so I close my eyes and kiss you to show you I didn't mean that

Maybe, we both got things that we didn't ask for I'm still glad that we gave it a go
I'm glad we didn't put it on hold
And well did we, get into something that we didn't sign up for
I'm still glad that we gave it a go
I'm glad we didn't put it on hold
Hold, hold, hold

It didn't go as planned, doesn't mean that it's too good to be true
And when things go left field doesn't mean that it's not right for me and you
It didn't go as planned, doesn't mean that it's too good to be true
And when things go left field doesn't mean that it's not right for me and you

Maybe, we both got things that we didn't ask for I'm still glad that we gave it a go
I'm glad we didn't put it on hold
And well did we, get into something that we didn't sign up for
I'm still glad that we gave it a go
I'm glad we didn't put it on hold

Maybe, we both got things that we didn't ask for I'm still glad
that we gave it a go
I'm glad we didn't put it on hold
And well did we, get into something that we didn't sign up for
I'm still glad that we gave it a go
I'm glad we didn't put it on hold
Hold, hold, hold
Hold, hold, hold
